WOOD COATINGS

Applying Possibilities

TOGETHER WE'LL LEAD THE WAY

For over 200 years, we've been empowering our partners and customers to achieve their visions with our trusted range of durable and versatile products.

Our high-quality, robust and easy-to-use portfolio now includes both interior and exterior systems across diverse product types and technologies.

Our passion for wood will always be our focus, but our passion for the industry extends even further. We combine partnership, expertise and creativity to deliver value and offer a competitive edge to your business.

AkzoNobel

OUR COMMITMENT -YOUR CONFIDENCE

SUSTAINABILITY

Our sustainability commitment and solutions help reduce our impact on the planet, minimise waste, reduce maintenance cycles and extend product lifetimes. Platforms such as the Sikkens Wood Coatings colour software ensure small runs, less stock and reduced waste.

GLOBAL LEADERSHIP

Being part of the AkzoNobel family gives us easy access to industry-leading research and development operations, cutting-edge technologies and an extensive support network of specialists and experts.

www.akzonobel.com

We supply the sustainable and innovative paints and coatings that our customers, communities – and the environment – are increasingly relying on. That's why everything we do starts with People. Planet. Paint. Our world class portfolio of brands – including Dulux, International, Sikkens and Interpon – is trusted by customers around the globe. We're active in more than 150 countries and have set our sights on becoming the global industry leader. It's what you'd expect from a pioneering paints company that's committed to science-based targets and is taking genuine action to address globally relevant challenges and protect future generations.
